

**Lintex 2017**

### About us

With a vision to simplify communication in modern office and educational environments, we have developed into one of the leading European brands within writable surfaces. During the years, whiteboards and glass boards has been joined by office screens as well as products for sound absorption. All products are developed, produced and sold under our own brand.

We are a family owned business, established back in 1983. Our head office and production is located in Småland, Sweden, with local subsidiary companies, sales offices and agents in Scandinavia and all over Europe.

### Environment

We are committed to minimize our environmental footprint. This applies to materials we use in our products, production methods and energy consumption. During 2016 we have invested in geothermal heating and LED lightning for our entire production facility in Småland, Sweden.

An important part of our environmental commitment is to certify our products. We work close together with Möbelfakta and SundaHus. We are also ISO14001 certified.

Writing Boards - Whiteboard

### **Our whiteboards**

Our ceramic steel whiteboards are of the very highest quality and come with a 30-year warranty on the writing surface. The steel sheet core is made of 50% recycled material and the boards are up to 99% recyclable. All boards are individually packaged and include fittings for wall mounting.

When ordering chalkboards or whiteboards in other colours than white (NCS S 1002 G50Y), please add one of the following prefixes to the article number:

BE = beige (whiteboard), NCS S 1005 Y20R  
G = green (chalkboard), NCS S 7010 G10Y  
GG =graphite grey (chalkboard), NCS S 7500 N  
B = blue (chalkboard), NCS S 5040 R80B  
GR =light grey (whiteboard) NCS S 2000N  
S = black (chalkboard), NCS S 8500 N

For matte or semi-matte surface, please add one of the prefixes underneath. Since writing is difficult to erase on a matte surface, we don't recommend matte surface as a writing board.

S = Semi-matte  
M = Matte

**Air whiteboard**

Ceramic steel writing board with bevelled white edges instead of a traditional frame. This gives the board a sense of floating on the wall. Can also be supplemented by a textile noticeboards (see Air Textile).

Writing Boards – Glass

**Mood Wall** glass board

Mood Wall is a magnetic glass writing board, available in 24 selected colours. The board is made of tempered low iron glass without any shades of green, which gives the glass optimum finish and colour reproduction. Using coupling magnets (1570-28-3), multiple boards can be connected, with subtle joints, to create large writing surfaces. Pen tray made of birch or plexiglass are sold separately.

## Office Screens

**Edge** floor screen

Design Christian Halleröd

A modern floor screen with sound-absorbing properties. Rubber edging in seven colours, adjustable feet in a variety of designs and four types of textile. The screens contains 40 mm recycled polyester that effectively absorbs sound and creates a more harmonious environment. The built-in magnets make the screens easy to connect and move.

**Sales and delivery terms****UK, Benelux, Germany, Austria, France, Baltic Countries, Poland:**

Free delivery DAP on orders above €1000 Net.  
For orders less €1000 a freight cost of €100 is charged.

**Switzerland, Spain, Italy, Ireland:**

Free delivery DAP on orders above €1500 Net  
For orders less €1500 a freight cost of €200 is charged

**Other countries:**

Ex Works or according to agreement.

**Reservation regarding ownership**

Deliveries will only be effected at our terms of payment and delivery. The goods remain the property of Lintex until full payment has been settled

**Delivery times**

Goods in stock: normally 5 - 8 working days. For other products, inquire about delivery time. Delivery time is reckoned from the day we receive the order. Our confirmed shipping day is the day the goods leave the plant.

**Quote**

Unless otherwise stated a quote applies for 60 days. Orders are accepted as and when confirmed in writing by Lintex.

**Returned goods**

Standard products that Lintex keeps in stock may be returned within 14 days of delivery. The customer is responsible for paying the return shipping cost and the goods must be returned in their unbroken original packaging. Any damage in transit will be charged to the customer. Before the return, Lintex's sales department must be contacted to obtain a returns note. Lintex will charge the customer a returns fee of 20% of the value of the goods. An order may be cancelled within three working days of the order confirmation. There will be no refund for the cancellation of manufactured products that are not stock items.

**Claims**

If upon arrival the product is damaged, this shall be noted in the consignment note before receipt is acknowledged. Damage claims shall be notified to the responsible shipping agent. Claims can also be filed 7 days after receipt if the damage was not discovered upon arrival. Other claims due to obvious shortcomings on our part shall be submitted in writing to Lintex.

**Payment terms**

30 days net. In case of delayed payment, late charges will be debited corresponding to 8 per cent interest above the reference interest rate of the Swedish Central Bank.

**Conditional sale**

Delivered goods remain the property of Lintex until full payment has been made.

**Prices**

We reserve the right to raise prices due to rises in raw material prices and currency fluctuations. Articles can also be the subject of constructional and design changes. All prices are exclusive of sales tax.

**Guarantee duration**

Lintex provides 2 years guarantee against defects in manufacture. The guarantee period is reckoned from delivery day and assumes that directly after delivery the products are placed in premises at room temperature and that they are not exposed to abnormal wear or damaging treatment. When mounting or assembling in situ by a fitter recommended by Lintex, 2 years guarantee is given from the date of approved inspection.
